

DEAR CLIENTS (PAST, PRESENT AND FUTURE),

As you are no doubt aware, the area between the corner of Kenrick/Union Street and Glebe Road/Union Street is earmarked for commercial development with the plans recently on public display.

In short, the existing shops and businesses along Union and Kenrick Streets are making way for a five-storey mixed commercial/housing development. If you frequent the area, you will have noticed that some businesses have already relocated, and yet others are in the process of doing so.

While in many ways the development is welcomed, the associated disruption to traffic, the demolition works, and the dust and noise generated will be incompatible with many, if not all, nearby businesses.

Elsworthy Solicitors has been a presence in The Junction for over thirty years. While we intend to return to the area once the dust settles (literally and metaphorically), for the next year or two at least, our new office address will be:-

Suite 201, 17 Bolton Street Newcastle NSW 2300

which is just across the road from the historic post office, in a beautiful heritage-listed area.

Importantly, our contact details won't be changing, and nor will our top-notch legal services.

If you have mobility or other issues, remember we are more than happy to come to you, rather than you come to us. Our new premises is also equipped with a lift, leaving just a few gentle stairs to negotiate. Bolton street carpark is close by, and there are more and better public transport options.

We look forward to this next chapter of service to our clients - see you at Suite 209, 17 Bolton Street Newcastle!

Yours faithfully

Jackson Solicitors inc. Elsworthy Solicitors
